

ADVANCED BIOBASED SYSTEMS WORKSHOP: Pipeline to Commercialization

September 10, 2018

8:30 am – 4:00 pm

Nationwide & Ohio Farm Bureau 4-H Center, Columbus Campus

NETWORKING EVENT | Sunday, September 9 | 5:00 pm - 8 :00 pm

FARM TOUR AND BARBEQUE

Visit the Davis Farms' operations, from fields to seed coater. Then, enjoy a barbeque dinner and drinks. The event is free, but you must be registered for the workshop.

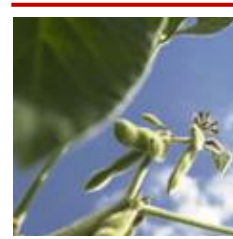

Sponsored by the Ohio Soybean Council

WORKSHOP | Monday, September 10 | 8:30 am - 4:00 pm

KEYNOTE ADDRESS

Building the Next Generation of Biogentech Companies: An Investor Perspective

Roger Wyse, *Managing Partner, Spruce Capital Partners*

FEEDSTOCK PRODUCTION

Big Data Driven Optimization of Feedstock Logistics for Biobased Industries

Scott Shearer, *Professor and FABE Chair, Ohio State University*

Managing Perennial Grasses for Energy Production: A Case Study

Fred Circle, *President, FDC Enterprises*

APPLICATION DEVELOPMENT

Biobased Product Development: An Overview

Barry McGraw, *Director, Product Development & Commercialization, Ohio Soybean Council*

Ram Lalgudi, *Senior Research Scientist, Battelle*

Developing Applications for Natural Rubber Alternatives

Katrina Cornish, *CEO, EnergyEne*

Biobased Products and the HAZMIN Green Product Program

Andy Shaban, *Defense Logistics Administration (Invited)*

SCALE UP and COMMERCIALIZATION

Evaluating Scale-up Potential: A Critical Step

Ajay Shah, *Assistant Professor, Ohio State University*

SOVONK4: Creating a Green Dry Cleaning Solvent

Richard Fitzpatrick, *Vice President, Kreussler Inc.*

Soy-based Emulsion for Extending Roof Shingle Life: A Case Study

Mike Feazel, *Co-founder and CEO, Roof Maxx Technologies, LLC*

Optimizing Fermentation in Fuel and Beverage Alcohol Distilleries: A Case Study

Patrick Heist, *Chief Scientific Officer & Co-owner, Ferm Solutions & Wilderness Trail Distillery*
